

PREPS IN TRANSITION BOOKLET

Let's Go To MOSHCH!

AFTER SCHOOL CARE

Pick Up

When the bell rings at the end of the day I wait outside my classroom for an educator to pick me up

I make sure my lunchbox, green folder and water bottle are in my bag and my hat is on my head!

I follow my educator to our after school meeting spot and sit down quietly and wait until my name is called

On The Way

When my name is called I line up with my friends in two straight lines and we follow the educator until we get to the library

We stop at the front of the library on the concrete path to make sure everyone is together

I follow the educator across the oval until we get to MOSHC making sure I don't run ahead!

Signing In

When I get to MOSHC I line up along the black gate

I wait until a manager from MOSHC signs me in with the Ipad

After I get signed in I will walk to the junior backracks to put my bag away

Hand Wash

After I put my bag safely onto the backracks I will go to the toilet if I need to

Before I get afternoon tea I make sure to wash my hands with soap while singing the happy birthday song twice!

I will keep my hat on my head and go to the undercover area to get afternoon tea

Afternoon Tea

I will line up in front of the afternoon tea trolley and wait until it is my turn to get food

There is lots of yummy food to choose! I will try some of the special, fruits and crackers!

I will sit down to eat it and then put my rubbish in the bin before I go to play

I need to stay in the undercover area until an educator lets us know play areas are open

What we do at MOSHC

Now I can go and play with my friends!

Art Hub

Games Hall

What we do at MOSHC

THE OUTDOORS

Chicken

Oval

Park

Gardens
