

# Before I go home

An educator will let me know when my adult comes to pick me up.

I make sure my hat, lunchbox, water bottle and greenfolder are in my bag before I go home!

# Area at MOSHC

# BEFORE SCHOOL CARE

## SIGNING IN

When I arrive at MOSHC I will:  
Get signed in by the grown up person that brings me to MOSHC

After I get signed in I will walk to the junior bag racks to put my bag away. Then, I can have breakfast or go to play

## BREAKFAST

I will wash my hands on arrival, then, I will go to the main kitchen where an educator will help me order my "special breakfast"

An educator will call my name when my "special breakfast" is ready.

I can also get myself, toast, cereals and milk from the breakfast trolley outside the main kitchen. I can sit on the kitchen bench or the tables at the veranda.

After eating I will put my cup, spoon and plate and food left overs into the buckets provided.

## GETTING READY AT MOSHC

An educator will remind me when I need to help pack up the things I have played with.

If I need to I will go to the toilet before school

I will get ready to play a last game with my prep group or sit in the area with my friends

When the educator is ready for roll call I will sit with my friends quietly and wait for an educator to call my name.

After my name is called I will walk to the bag rack and get my bag ready and line up at the cow gate with an educator. I will apply sunscreen and wear my hat.

I will walk to school with the preps group and an educator. After crossing the oval, we will stop to check that we are together.

## GETTING READY TO GO TO CLASSROOM

At school, I will put my hat away and get my green folder and my morning fruit out of my bag

An educator will take me to my class' bag racks where I can put my school bag

# AFTER SCHOOL CARE

## PICK UP AT SCHOOL

When the bell rings at the end of the day I wait for a MOSHC educator to pick me up from my classroom

I make sure my lunchbox, green folder and water bottle are in my bag and my hat is on my head

I follow my educator to our after school meeting spot and sit down quietly, apply sunscreen and wait until my name is called

## ON THE WAY TO MOSHC

When my name is called I line up with my friends in two straight lines and we follow the educator until we get to the library

We stop before walking across the oval to ensure we are together

I follow the educator across the oval until we get to MOSHC making sure I don't run ahead!

## SIGNING IN

When I get to MOSHC I line up along the gate

After I get signed in, I will walk to the junior bag racks to put my bag away, I can then get afternoon tea or go to play. I will remember to get food before the kitchen closes at 5pm.

## AFTERNOON TEA

I make sure to wash my hands before I get food.

I can get food from the JR food area or later at the main kitchen, with a lot of option like:: special, daily fruits and crackers.
