

The 2024 booklists contain the full textbook and stationery requirements for your child in the next school year. By mid-November 2023, families should receive an email from the school providing the booklists for each grade, online ordering instructions and the extended trading hours of the Uniform & Stationery Shop. It will be sent to the nominated email address that has been provided to the school for correspondence.

The school is fortunate to have an onsite P&C Association operated Uniform & Stationery Shop which provides the book packing service, where your orders are packed and delivered to your child's classroom. To utilise this convenient service, please note the following key dates:

- Orders placed **by Friday 1st December 2023** will be delivered to your child's classroom. Delivery to the classroom **cannot** be guaranteed by the end of the school year if your order is placed after this date.
- Orders placed **after Thursday 7th December 2023** and during the school holidays will be available for collection from the Uniform & Stationery Shop. Families will be contacted via email advising when your order is ready for collection.

To streamline the process, we encourage families to order online via **My Student Account**. Online orders will be given priority and will be packed before orders placed over the counter at the Uniform & Stationery Shop.
